Sir,

I have the honor to submit for the consideration of the Commissioner an application from the Superintendent of the Central Jail for an allowance for house rent.

2. I am not aware whether the Government of India have in other cases acceded to the recommendation of the Indian Jail Committee that the salary of the Superintendent of a Central Jail should be Rupees 800 with free quarters.

3. It is very desirable for the public service that the Superintendent should live near the Jail, and with this view Doctor Henderson has

has occupied a house close to the jail, the rent of which is Rupees 100 per mensem; and the Commissioner is aware that that is not a very high rent at Bangalore.

Sir,

I have the honor to solicit the favor of your consideration of a claim which I am under the impression I have not an unreasonable title to make, namely that I be permitted to draw an allowance in lieu of free quarters.

The points which I desire to bring to your notice in support of this claim are,

1. That it has been recommended by the Indian Jail Committee of 1864, and acted upon, I believe, generally by the Governments, that the Superintendents of Central Jails shall receive 800 Rupees per mensem and free quarters.

2. That there is nothing in my appointment which in any way demands a reduction in pay or other advantages

5

in fact in my own case from my having been the first tenant of office here, a great deal of work has fallen upon me which would not have been necessary had I succeeded to a former incumbent: also while a portion of the Central Jail is used as a District Jail under my charge I may be said in some measure to perform duties along with and included in, my own, which are the object in other cases of distinct remuneration.

3. That the duties of my office compel me to reside in the vicinity of the Jail, in a locality the most expensive as regards house rent, and that, without any assistance in this respect, I am, and have been, under the disadvantage of enforced payment of a high price for quarters.

If it should appear to you that I have in this a fair title for consideration, I beg that you will be good enough to submit the matter to the Officiating Commissioner for his decision

I have the honor to be &c

Sir,

I have the honor to submit for the consideration of H.E. the Governor in Council copy of a letter No. 1502/133 of the 4th Instant from the Officiating Secretary to Government to an application from the Superintendent of the Central Jail for an allowance for house rent in lieu of free quarters, which he claims on the strength of the recommendation of the Indian Jail Committee and the orders passed thereon by the Supreme Government, as well as of the practice which prevails elsewhere in circumstances of the same character.

As no quarters for the Deputy of the Central Jail have been as yet constructed, Dr. Henderson has been receiving in the only Building which he could secure

8

house in the civil lines at Bangalore and for which he pays Rs 100 per mensem, which cannot be considered unduly high for a house at Bangalore.

If the claim is considered to be a legitimate one, I would recommend that the allowance may be limited to the above sum, or any other that Govt. may deem sufficient to be sanctioned under such rules as public quarters are provided.
